

**Sapphire Pointe Master Association
Pool Card Agreement**

Owner Name: _____

Property Address: _____

I am requesting a pool access card or a replacement access card. **I understand that one (1) access card can be issued per home after a \$25.00 check is received for payment.**

I understand in order to obtain access to the Association's recreations facilities my HOA assessments must be current. If my account becomes delinquent, I understand my access to the pool and playground will be suspended.

I further understand that my access card may be suspended if any person using my access card is found to be in violation of the Association's pool rules or is found to have caused damage to the Association's facilities.

I further understand that if I rent my property it is my responsibility to obtain an access card. I understand that as the Owner of the property I am responsible for the actions of my tenant(s).

I further agree that if my access card is lost and I need to obtain a new access card, I must sign another agreement and submit an additional \$25.00 payment.

I further agree that upon moving from the community I will leave my access card for the next owner of my property in the Sapphire Pointe Master Association.

I further agree that I have read and agree to abide by the Association's pool rules. Additionally, I understand that the pool does not have a lifeguard and swimming is at your own risk.

I understand that I may be asked to provide a picture ID to verify residency from time to time.

I have read and understand the above statements.
